The participants before the Land Use Hearing Officer shall be the County staff, the applicant (and/or the applicant's agent(s)), and the public. The order of presentation will be:

1. The applicant and the applicant's witnesses shall present their case.
2. The Staff of the Planning and Growth Management Department will give a summary of the request, and present the County Staff's findings and recommendations.

4. You and other witnesses shall present their case.

6. The applicant will have the opportunity for rebuttal and summations.

The Land Use Hearing Officer may question witnesses as he/she deems necessary and appropriate and may permit responses to evidence or testimony received.

Time will be allowed for a reasonable amount of questioning of the witnesses for the applicant, public agencies and opposition, but questioning should be limited to direct testimony already presented.

Each side will be given 15 minutes to present its case, however the Land Use Hearing Officer may grant additional time for good cause. The public as a whole is considered as one participant, so large groups may wish to designate a spokes person. The staffs of each separate County agency are considered individual participants.
