Notice:

On 23 Sep 08 there was a theft on Balsamina Drive. One of our owners left his garage door open to circulate some air. While he was in his house, a dark red or maroon Ford parked outside. The driver, described as Caucasian, about 6'-6"3" tall, with a mustache or goatee, entered the open garage, grabbed a drill and took the time to rummage for the batteries and charger on the opposite side. A neighbor saw him run to his car and alerted the owner.

Purpose:

To alert our owners to be vigilant and take notice of strange activities. If you see someone you don't know in the neighborhood, ask them who they are and if you can be of any assistance. If you see a car that seems to be patrolling, call the sheriff's office. Although we do not have an official neighborhood watch program, there is no reason we can't watch out for one another.

Dr. Fred Barja,
President
